

## Instructional Coach and Principal Coaching Design Questions

1. Can you describe your vision for my role?
2. What, specifically, will be my job responsibilities? Of these responsibilities, where do you feel most of my time should be spent?
3. What is the best way for us to communicate?
4. How will my role be communicated to staff?
5. When would you like to meet to discuss coaching progress?
6. How will we partner to support teachers?
7. Do you foresee me working with all teachers or specific ones?
8. How will we determine if a teacher will receive coaching?
9. How will the goals for coaching individual teachers be determined? What happens when they reach that goal?
10. How will I be involved with leading professional learning?
11. How will I be involved with the school's leadership team(s)?
12. How will we handle staff resistance?
13. Do I have a budget? If so, how much?
14. What else would be helpful for me to know so I have the best chance at success?
